## Speaking Volumes: Transforming Hate

[Speaking Volumes Traveling Exhibition Schedule](#)

January 25 to April 13

*Returning violence for violence multiplies violence, adding deeper darkness to a night already devoid of stars. Darkness cannot drive out darkness: only light can do that. Hate cannot drive out hate: only love can do that.*

*Dr. Martin Luther King, Jr.*

This exhibition seeks to challenge and expand us by bringing us face-to-face with different perspectives, breaking through the limits of our comfort, and taking us beyond familiar ground to new territory.

Our highest hope for this exhibition is that it will start conversations within families and between strangers, and help us all create a better community.
